Sounds good. My schedule is a bit fluid with the Animas River stuff, but I will try to be available at 9am.

I won't have time to review the letter. Can you go ahead and send to Darcy?
Thanks!

Hi Sarah & Douglas,
Kim did a lot of work to pare down the slides. I think it looks good & is very concise. I will add in the UIC slides to this presentation & send that next. Do you think we could get together tomorrow morning before our 10:30 meeting to talk about the order of the slides & go over talking points? It looks like you both have time from 9 to 10?

Thanks!

Valois

Hi Valois – I'm including a draft copy of a power point. It's an abbreviated idea where Darcy would supplement all points with the talking points you included.

Ex. 5 Deliberative Process (DP)

What do you think?

Thanks! – Kim V.

(p.s. – I reviewed the logo/seal guidelines, and while it limits use to the front of any correspondence, if you're not comfortable including the logo, I'd suggest just removing.)

Will you have a chance to look that over, too, please?
Sorry to put so much on your plate at once when you are out tomorrow!
Thanks!
